IMCOM-G9 Child, Youth and School (CYS) Services Sports and Fitness Requirements

Statement of Understanding Child and Youth Services Personnel

Standards of Conduct and Accountability in Child and Youth Services (CYS) Programs

I understand that:

1. I am responsible for providing guidance in accordance with (IAW) CYS Policy by using knowledge, skills and abilities to identify appropriate and inappropriate behavior of children/youth based on their age and social/emotional development. I will role-model and explicitly teach problem-solving strategies, impulse control, empathy and acceptance of self and others as well as pro-social behavior.
2. I will never use corporal/physical punishment, psychological abuse or coercion as an acceptable form of guidance. Guidance will never be punitive in nature. Children/Youth will not be punished physically or verbally for lapses in toilet training or refusing food. I will never punish children/youth by any of the following: spanking, pinching, dragging or grabbing, shaking, or other corporal punishment; isolation, time away/timeout, or overly punitive restrictions; confinement in closets, boxes, or similar places or locked seclusion; manual, mechanical, or chemical restraint; humiliation, demeaning, shaming, verbal abuse, taunting, teasing, degrading language or activities, or psychological pain; deprivation of meals, hydration, snacks, outdoor play opportunities, or other program components; aversive stimuli; forced physical exercise to eliminate behaviors; punitive work assignments; punishment by peers; or group punishment or discipline for individual behavior. Restricting the use of specific play materials and equipment, or participation in a specific activity will be based on the developmental age and social/emotional development of the child and if it poses a safety concern for the child or others.
3. I am responsible for knowing the boundaries for appropriate and inappropriate touching that are established to ensure that CYS personnel have a clear understanding of what is acceptable and what is not. These boundaries are specified in the Standards of Conduct and Accountability SOP.
4. If an allegation of abuse/neglect is made against me, it will be grounds for immediate closure of my Family Child Care (FCC) home or reassignment outside of CYS until the investigation is completed.
5. I am responsible for supervising Infants, Pre-toddlers and Toddlers by sight and sound at all times, including when sleeping. Mirrors and video monitoring do not replace direct sight and sound supervision. Preschool and kindergarten children are supervised by sight most of the time, with the exception of brief periods when children cannot be seen but still heard, as long as I check frequently on children who are out of sight (e.g. child using the toilet independently, child in a library area). Kindergarteners and School-age children may leave my supervision for brief periods, so long as they are in a safe environment (such as going to a hall bathroom) but must be within sight and/or hearing most of the time. Middle

School and Teen youth are supervised by monitoring areas where youth are engaged in activities and requires that I move throughout the facility.

6. I am responsible for maintaining specific accountability for each Child Development Center (CDC)/Family Child Care (FCC) child in my group or each School Age Center (SAC)/Middle School Teen (MST) youth in my facility. I will follow the systems in place to account for children and youth at regular intervals, especially during periods of transition in CDC/SAC and during off-site activities based on risk assessment analysis. If I observe a child slipping away from or leaving his/her primary care group or discover a youth in an off-limits area within the facility, I will notify the primary caregiver. These instances are not considered abuse/neglect. I am part of a team and am responsible for assisting my teammates as needed.

7. I will conduct or participate in a face-to-name counts of children conducted once per hour in CDCs and during transitions in and out of the classroom. I will monitor all School Age children and Middle School/Teen youth while they independently move throughout the facility.

8. I must ensure the physical count of children/youth and/or the system that is used to monitor the whereabouts of children matches the number signed in (applies to direct care and management staff). I must ensure that the physical count of children/youth matches the number swiped into Child and Youth Management System (CYMS) (applies to management staff only).

9. I will focus my full attention on the children/youth in my care and will refrain from using personal electronic devices (to include cell phones, tablets, laptops and smart watches) while counted in ratio.

10. I am responsible for ensuring that all children/youth safely evacuate the building in the event of an emergency.

11. I understand that CYS facilities are under continuous video and audio surveillance through Closed Circuit Television (CCTV). I also understand that recordings may be used to substantiate or refute allegations of child abuse/neglect or employee misconduct, as a training aide, or to recognize positive performance.

12. I may be observed by a manager or Training Specialist as part of a documented training or performance observation any time during my duty hours, either in person or through the use of the CCTV System.

13. As a mandated reporter I will immediately and directly report to the Reporting Point of Contact (RPOC) and local Child Protective Services (CPS) (if located in the U.S.) any incident I witness which a reasonable person would consider child abuse or neglect.

14. If I witness an incident that a reasonable person would not consider child abuse or neglect, but is still a violation of this guidance, I will immediately verbally report it to my supervisor or other management staff, and follow up in writing.

15. I am responsible for completing reports on accidents, injuries to children/youth, or other unusual incidents that occur while I am on duty.

16. I will wear my appropriate color coded apparel (ensuring apparel can be seen at all times and from all angles) when caring for children/youth.

17. I will refrain from commenting, passing judgment, or providing guidance or input on sensitive topics with children/youth. I will encourage children/youth to reach out to a trusted family member or counselor for discussion.

18. The following Social Media and Electronic Communications are prohibited:

- Displaying in the workplace or any other place likely to embarrass or undermine the professional credibility of the CYS program or otherwise interfere with CYS operations, any material that is sexually explicit, provocative, inappropriate, inflammatory, or unprofessional. Such materials shall not be present on CYS premises.
- Communication to staff or children/youth that is unprofessional or inappropriate.
- Communication with children/youth through social media platforms except via the program's official social media pages (e.g. facebook, twitter).
- Communication with children/youth by email and messaging except via staff's .mil email address – all electronic communications with children/youth will have a parent and at least one other paid staff member on the cc line.
- Communication with children/youth by text message via a personal device.
- Sharing home or personal email, messaging, phone numbers or social media addresses with children/youth.
- Posting media to a personal social media site which includes non-familial children/youth enrolled in CYS programs.
- Use of Personal Electronic Devices while on duty.

19. I am required to immediately inform my supervisor/program director if I am charged with a crime referenced on the DD Form 2981 Basic Criminal History and Statement of Admission.

SOCIAL MEDIA AND ELECTRONIC COMMUNICATION STATEMENT OF UNDERSTANDING

I hold a position of responsibility. My first obligation is to the emotional, physical and mental well-being of the children/youth that are entrusted to my care and I will maintain appropriate relationships with children/youth and their families whether on or off duty and regardless of the media used to interact in the relationship (in program, online, etc.).

I act on behalf of Child & Youth Services (CYS): The "@mail.mil" address attached to my name and/or email in official communications implies that I am acting on behalf of CYS and, as such, I will conduct myself in a professional manner.

I protect confidential information: Regardless of whether I post as a private individual or as a CYS employee, I must ensure that I do not disclose confidential information about children/youth, parents or employees as specified in relevant legal guidelines. Sharing confidential information risks disciplinary action up to and including termination. If a parent has requested that their child/youth be "opted out" from identification/photos/video/etc., that opt out extends online. In addition, no children/youth will be identified by their full name online or other identifiable information that might jeopardize their personal safety.

Personal Use of Social Media and Other Electronic Communications:

CYS personnel are encouraged to keep their personal lives personal, even in the digital world where personal and professional can become blurred. I have been encouraged to use appropriate controls on my digital and social media accounts to control who sees my personal information, comments, pictures, etc. and I understand that it is my responsibility to learn how to use privacy controls on the social media platforms that I use. I will never post pictures, videos and other related media of children/youth enrolled in CYS programs to personal media sites. If I must contact a youth, I understand that such communication should be made from my professional email or Social Media Accounts, such as my mail.mil account and/or the program's official Social Media. All my electronic communications with children/youth will have a parent and at least one paid staff member on the cc line. Communication with children/youth by text message via my personal devices is prohibited. CYS discourages employees from associating through their personal social media with parents of youth unless there is a preexisting relationship between the parties. For the purposes of this document the term "associating" includes "friending", "following", etc. If I have a personal Social Media account, the following response is recommended when I deny such requests.

Proposed response to "friend" requests on personal Social Media pages: *If you are a youth or parent requesting to be my "friend" on Social Media, please do not be surprised or offended when I ignore or deny your request. As an employee of Army CYS, our policy discourages me from associating with youth or parents on my personal Social Media pages. I would encourage you to "Like" our CYS pages to stay up to date on what is happening in our programs.*

I understand the following are prohibited:

- Displaying in the workplace or any other place likely to embarrass or undermine the professional credibility of the CYS program or otherwise interfere with CYS operations, any material that is sexually explicit, provocative, inappropriate, inflammatory, or unprofessional. Such materials shall not be present on CYS premises.
- Communication to staff or children/youth that is unprofessional or inappropriate.
- Communication with children/youth through social media platforms except via the program's official social media pages (e.g. facebook, instagram, twitter).
- Communication with children/youth by email and messaging except via staff's .mil email address – all electronic communications with children/youth will have a parent and at least one other staff member on the cc line.
- Communication with children/youth by text message via a personal device.
- Sharing home or personal email, messaging, phone numbers or social media addresses with children/youth.
- Posting media to a personal social media site which includes non-familial children/youth enrolled in CYS programs.
- Use of Personal Electronic Devices while at work.

Nothing in this document is intended to preclude normal communications or interactions between staff and family/friends which occur in the context of a relationship with the parents of the child/youth (e.g., babysitting, family gatherings, community events, etc.) or limited contact in the event of an emergency.

My signature below affirms that I have read and understand the Personal and Social Media Conduct Statement of Understanding. I understand that engaging in inappropriate personal or social media contact with children/youth in the programs may result in disciplinary action up to and including termination.
